Product Specification

Add Finish/Color Suffix "-##" to Below Model Number

The sink drain shall be made of solid brass and ancillary durable material construction. The drain shall be furnished with 1-1/4" OD connection. The Drain shall have a Pop Down® stopper. The drain shall be Bounty Brassware® Pop Down® 71310-____

Special Installation Considerations

29356

† Extension

Drawings not to scale

- Use this extension when sink thickness exceeds 1-3/4" thick (this extension is rarely required)
- Extensions may be "stacked" to achieve desired working height
- Each extension adds about 1-1/4" depth to the effective installation height
- See Installation Instructions

Additional Product Specification

The Pop Down® Drain (71310-##) shall be furnished with solid brass extension(s) for sink thicknesses exceeding the standard 1-3/4" maximum. One extension shall be furnished for each additional 1-1/4" of sink thickness required above and beyond the standard 1-3/4" maximum thickness. The extension shall be 29356.
